FROM: Eloise R. Page
Acting Director
Intelligence Community Staff

SUBJECT: Car Acquisition

Please cite the DCI's special authorities under Section 8 of the CIA Act and obtain a replacement vehicle for the overaged official vehicle presently assigned to the Director of the Intelligence Community Staff. As noted elsewhere, the DDCI has approved the acquisition of a 1986 Oldsmobile Delta 88. The specific car desired is the Delta 88 Royale Brougham, car #5217, in stock at Templeton Oldsmobile, Tysons Corner. It is imperative that the intended purchase of this car be confirmed as soon as possible with the dealer, so that the car is not sold to others during the end of model year sales. Detailed specifications of this car are attached.
